Welcome to the Help for Families Foundation.

The Help for Families Foundation (Stiftung Hilfe für die Familie) helps **pregnant women** in need of urgent financial aid.

The Foundation also supports **families, single parents and separated parents** in emergency situations with at least one child who is financially dependent on them or with disabled family members or family members in need of care.

If your domicile or main residence is in Berlin, are currently experiencing a financial emergency and have no other means of support, you can apply to the Foundation for help.

Are you pregnant and in urgent need of financial aid?

Then you can apply for help from us:

2. The advice centre will advise you on priority benefits and can help you submit an application for benefits for pregnancy and essential equipment for your baby.
3. Your application will be sent to the Foundation by the advice centre. You will receive a confirmation of receipt from the Foundation.
4. Your application will be checked and processed by the Foundation. You will receive the decision by post.
5. If your application is approved, the letter will tell you how much money you will receive and when the money will be paid out to you.
